This can be in any medium of art and will be judged by
ROKT's very own Adventure Cameraman Ian Burton.

All artwork must be received by 30th January
and will be judged by the 10th February.

The winners will then be contacted and the
free ROKT experience will be organised.

On the back of your art work you must write:

Good Luck!

The judge's decision is final. All artwork entered into the competition, belongs entirely and solely to ROKT LTD. Only the 6 Winners can take part in the ROKT Experience. If children cannot make the arranged climbing session then the session will go ahead regardless and is not redeemable in anyway.. The ROKT experience is 1hour and 15 mins maximum and follows the guidelines of our ROKT Taster sessions. The children will require a parental consent form for the climbing, failure to provide the form will result in the child not being permitted to take part. Additional Parental consent is needed for the photos and videos. If consent is given, photos and videos taken at ROKT Climbing Gym can be used by ROKT LTD in any promotional materials.
